Invitation letter
for Voluntary Participation in
EUROPEAN NUTRIENT RECYCLING CONTEST QUESTIONNAIRE
Selection of the best available nutrient recovery technologies and products
for deployment/market uptake promotion of Nitrogen/Phosphorus recovery innovations

Dear Colleague, Dear Project Leader,

We are pleased to invite you and your project/innovative technology/product to participate in the **selection of the best available nutrient recovery technologies and products for deployment/market uptake promotion of Nitrogen/Phosphorus recovery innovations.**

NUTRIMAN¹ is a Nitrogen and Phosphorus H2020 Thematic network compiling knowledge for recovered bio-based fertiliser products, technologies, applications and practices- More particularly, NUTRIMAN aims to connect the market competitive and commercially “ready for practice” innovative results from high research maturity applied scientific programmes and common industrial practices, for the interest and benefit of agricultural practitioners.

NUTRIMAN is focusing on compiling knowledge and knowledge exchange of best practices and methodologies for innovative organic and low input farming in particular cost efficient and safe recovered N/P innovative fertilizer supply. For more information about the NUTRIMAN objective please visit: <https://www.nutriman.net/project/objectives>.

All innovative Nitrogen and Phosphorus recovery technologies/products will be considered that

- a) have already reached at least successfully completed post >TRL6/>IRL6 development maturity status² and facing close to market uptake; and/or
- b) already on the market and facing rapid market expansion and commercial deployment.

Terms and conditions your participation:

Participation in the NUTRIMAN inventory is voluntary and free of charge. **Your English language responses for this questionnaire will be treated internally and will not be publicized.** In this context, only the EU Commission contracted NUTRIMAN Consortium (project Partners) and the NUTRIMAN Farmers Advisory Board "FAB" members will have

NUTRIMAN Invitation Letter to Questionnaire for NUTRIMAN Inventory on Nitrogen and Phosphorus recovery technologies and products

Date of issue: 07 January, 2019, Version: 1.0.

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 818470. Disclaimer: The content of this document reflects only the author's view and that the Agency and the Commission are not responsible for any use that may be made of the information it contains. During our work the EU General Data Protection Regulation 2016/679 (April 28, 2016) of the European Parliament and of the Council applied and followed.

access to your information, for the sole purpose to **select the best available nutrient recovery technologies and products** offered in the international contest.

The significant **advantage and benefit for your participation** is that in case you are selected in the contest, then we will jointly develop your practice abstract profile for **official EC publication in EIP-AGRI common format³ to further support international marketing, deployment and market uptake of your technology and/or product**. Your practice abstract in EIP-AGRI format will be free of charge placed on the NUTRIMAN public Farmer Platform (www.nutrیمان.net) and used for wide range dissemination towards agricultural practitioners.

During our work the EU General Data Protection Regulation 2016/679 (April 28, 2016) of the European Parliament and of the Council applied and followed. Therefore, please carefully read the enclosed Information Sheet which describes how your personal data will be processed and handled.

If you agree on participation in the NUTRIMAN Questionnaire please sign the enclosed Consent Form. By filling the enclosed Questionnaire, please provide public information about the project in English language only. Please do not provide protected sensitive research data and/or personal information related to third party. You are free to decline to answer any particular question you do not wish to answer for any reason. Please do not submit filled Questionnaire without reading this enclosed Information Sheet and providing your agreement with a signed consent form.

Submission requirements: Send both the signed and scanned Consent Form and the filled in Questionnaire to NUTRIMAN coordinator Edward Someus: biochar@3ragrocarbon.com .

- Subject of e-mail: 'ANSWER TO NUTRIMAN QUESTIONNAIRE'
- Deadline: 15 February, 2019.

After final closure date of the enquiry it takes approximately 2-3 months of evaluations by the NUTRIMAN experts and the Farmers Advisory Board. We will keep you informed in time. If you need any additional information related to the H2020 NUTRIMAN project or this Questionnaire please contact the project Coordinator.

Sincerely yours, on behalf of the NUTRIMAN consortium.

Edward Someus (NUTRIMAN coordinator, nutrient recovery S&T senior engineer)
