## ANNOUNCEMENT OF COMPETITION RESULTS

Competition for the position of: Assistant Professor  
Department of Soil Science and Environmental Analyses  
Date of competition announcement: November 5, 2025  
Date of results announcement: March 16, 2026  
Number of applications: 11 (including 2 women)  
Number of applications meeting formal requirements: 6  
Number of applications not meeting formal requirements: 5  
Candidate who won the competition: Dr. Joao Augusto Coblinski

### Justification:

On March 16, 2026, the competition for the position of assistant professor at the Department of Soil Science and Environmental Analysis was concluded. Eleven applications were received by the deadline. Six met the formal and substantive requirements set forth in the competition announcement. After reviewing the submitted documents and conducting interviews with the candidates, the Selection Committee adopted a resolution on March 16, 2026, and recommended the appointment of Dr Joao Augusto Coblinski to the position of assistant professor at the Department of Soil Science and Environmental Analyses.
